

1. Sophia is giving a beach party at 3 p.m. on Sunday and she invites all her close friends. Here are some of her mates' replies:

THOMAS

I'd really love to, but I can join you after my archery training.

EMILY

I'm really busy on Sunday, but I can't miss such a great event.

MIA

Thanks for your invitation, but I must attend another event.

GEORGE

That sounds terrific! I'll definitely be there.

According to the information above, who gives an excuse for refusing her invitation?

- A) Mia
- B) George
- C) Emily
- D) Thomas

2. Fill in the blank according to the table below.

Amanda's plans for Sunday	
volleyball practice at the gym	9:00 a.m.
buying some equipment for trekking	11:00 a.m.
eating out with her close friend, Wendy	12:00
trekking with her cousins and uncle	2:00 p.m.
doing science and history assignments	8:00 p.m.
surfing on the Net	10:00 p.m.

On Sunday, Amanda is planning to

- A) have a long walk in nature with her relatives after lunch
- B) go training in the morning after she does some shopping
- C) go online in the evening before she does her homework
- D) have lunch with her buddy before she goes shopping

3.

Which question is NOT answered in the poster?

- A) What kind of activities does the camp offer?
- B) Who can attend this summer camp?
- C) Where is the camp going to take place?
- D) How much is the fee for attending the camp?

4. Jason : Hi, Sarah! What's up?

Sarah : I'm looking for the latest movies on at Odeon Cinema this week. Look! There's a new comedy called Crazy Friends. Why don't we watch it together on Sunday?

Jason : I need to laugh and have fun these days. You know I had lots of exams last week and it was really tiring and stressful.

Sarah : Great! I'm booking two tickets, then.

Which of the following DOES NOT complete the conversation?

- A) Oh, I can't miss this chance
- B) I'd love to, but I must study for my exams
- C) That really sounds terrific
- D) I'm very busy but I can't refuse it

5. Emily and Sophia are planning to spend time together on Saturday. Here are the lists of their personal interests:

EMILY

- ACTING
- TEAM SPORTS
- FASHION
- WATCHING MOVIES
- MUSIC

SOPHIA

- PAINTING
- WATCHING PLAYS
- READING
- TEAM SPORTS
- CALLIGRAPHY

Choose the event that both Emily and Sophia will enjoy attending together.

A) **May 17 at 5 p.m. Hyde Park Live Concert**

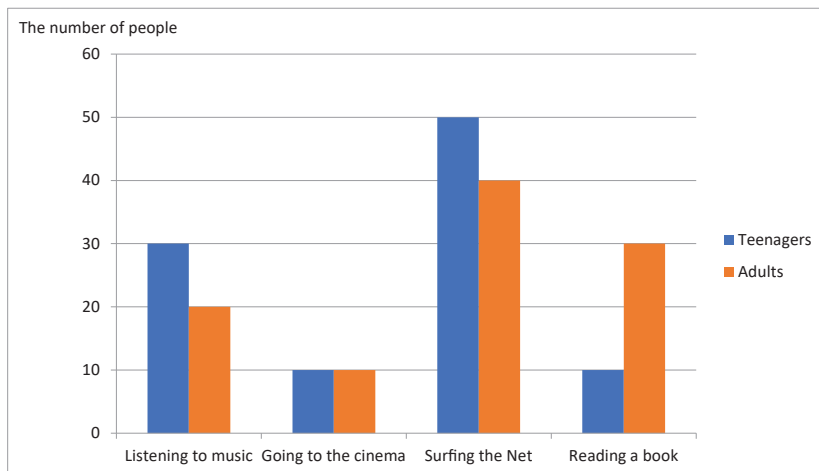

B) **AVENGERS ENDGAME ROYAL CINEMA 32 King Street, London**

C) **ROMEO & JULIET The Black Theater Presents**

D) **KARATE MAY 17 AT 3 P.M. INTERNATIONAL TOURNAMENT**

6. Look at the graph below and answer the question.

John Taylor, a well-known researcher, conducted a survey in Houston High School about free time activities last month. He gave a questionnaire to a group of young students aged 15-18 and their parents to compare their preferences. The graph below shows the results.

Which option is FALSE according to the survey results?

- A) Teens show equal interest in reading a book and watching a movie.
- B) Listening to music attracts adults less than teenagers.
- C) Adults' interest in watching a movie is less than teenagers'.
- D) Surfing the Internet is the most popular activity among adults.

7.

Sally gets up early on Sunday mornings. After she does exercise for twenty minutes, she reads the news online and has an enormous breakfast. Then, she skates in the park with her buddies. At about half past three, she usually watches a sci-fi movie with her brother.

Which picture shows the first activity Sally does after having something to eat in the morning?

8.

Sarah

It's the end of term today and my friend Alice and I are planning to do some enjoyable activities tomorrow. We're going to watch a fantasy movie at Odeon Cinema at half past one, but we have to visit Mrs. Taylor's art exhibition before noon because she wants us to attend it so much. In the evening, we're going to go to a rap concert at Fenway Park. And a slumber party will be very enjoyable at the end of the day!

Where are Sarah and Alice going to start their day?

PASS 8

9. Answer the question according to the dialogue between Neymar and the TV presenter.

Good afternoon, dear viewers. Today our guest is Neymar da Silva Santos, one of the best footballers in the world. Welcome to our sports programme, Mr. Santos. We all know that you've gained lots of medals and cups so far. ?

Well, I owe this to my self-disciplined lifestyle. I really work hard because a footballer needs a strong body.

Sure. That's really important. ?

I have football practice at least three times a week and I usually go running every morning.

Great! ?

I usually go to the cinema with my family because I'm fond of watching action movies and comedies.

Which question does the TV presenter NOT ask Neymar da Silva Santos?

- A) What do you do in your free time
- B) When do you have football practice
- C) Why do you think you're so successful
- D) How often do you go training

10. Answer the question according to the text below.

Hi, buddies! I'm Daniel. I am a student at Greenhill Secondary School. I always get up early in the mornings and have a shower. Then, I have breakfast and get dressed. My mum drives me to school every morning. My lessons start at 9 o'clock and finish at 3 o'clock. After school, I usually come back home and relax. In the evenings, I surf the Internet and then do my homework. At weekends, I prefer spending time with my close friends. After a huge breakfast with my family, I meet up with my buddies in the park and play soccer. Actually, we are crazy about it! Moreover, we are keen on going to concerts, especially rock concerts. My friends are very special for me because we have lots of things in common and we back up each other all the time.

We can understand from the text that Daniel

- A) hardly ever plays football at weekends
- B) hates attending rock concerts
- C) always has a shower after breakfast
- D) shares similar interests with his friends
