Fashion isn't for me. I don't care about fashion and models. I usually wear comfortable clothes, like jeans, T-shirts and sports shoes or boots in winter. Most of my friends wear the same kind of clothes. We don't talk about famous models, music is our favourite topic of conversation. I don't use make-up because I'm too young and my skin is fresh and clean.

Dear Melissa,
I hope you are well. Guess what! I am having a big birthday party next week at my house and I am inviting all my close friends. I need to let everyone know by Wednesday since I am throwing the party next Saturday. Sam is going to decorate the house and my mother is going to bake a cake and make lots of food. There is going to be music and dancing as well. John is going to be the DJ. You can stay over at my house. It's going to be great! I hope to see you then.

Love,
Sarah

One of my favorite tourist destination is Mexico. I really like the weather there because it never gets cold. The people are very nice too. They never laugh at my bad Spanish. The food is really good. Mexico City is a very interesting place to visit. It has some great museums and lots of fascinating old buildings. The hotels are too expensive to stay but there are cheaper options. For example, you can stay at one of the beach resorts like Acapulco. If you are planning to visit Mexico, you should definitely see the Mayan temples near Merida.
