- A) Can I take a message
- B) Who is calling, please
- C) What time will the meeting start
- D) Would you like him to call you back

10.

Stella

I connect to the Internet for two or three hours every day. I think it's a great way to keep in touch with friends in different places and countries. I use my desktop computer to go online. I like sharing photos and videos on Instagram. I follow some online courses to improve my Italian. I like visiting useful websites to learn new things. I also download music and search for information on the Internet. I never buy things online. I think it's not safe. I never play online games. In my opinion, it's just a waste of time.

Which of the following is WRONG according to the text?

- A) She uses the Internet for global communication.
- B) She isn't interested in social media.
- C) She learns a foreign language on the Internet.
- D) She goes online for different reasons.
